Statement

The Organization

(name and address):

Acting on behalf of

(first and last names of all the people authorized to represent the Organization):

- Fills this application within the framework of the Social Innovation to Tackle Fuel Poverty program;
- Commits to participating in the Social Innovation to Tackle Fuel Poverty program in its entirety and to be present – or mandate one or two members of the management team – to all the gatherings held within the framework of the program; and
- States that it has acknowledged the Regulation of the Social Innovation to Tackle Fuel Poverty program (“the Regulation”) and accepts, without reserves nor conditions, the entirety of the terms and conditions of the Regulation.

Without prejudice to provisions of the Regulation, acknowledges and accepts in particular that:

- The decisions regarding the applicants' selection are taken by the European Selection Committee that includes Ashoka's representatives and experts with experience in the social entrepreneurship sector. The decision is final and applies to all candidates;
- All the documents and materials provided by the Organization will not be sent back to the Organization. Ashoka has the right to keep or destroy these files and materials without any possibility to appeal from the Organization; and
- Ashoka will be authorized to record, transfer, and process all personal data received from the Organization during and after the application process in the context of the Social Innovation to Tackle Fuel Poverty program.

Without prejudice to provisions of the Regulation, in case a prize is granted, commits in particular to:

- Authorizing Ashoka to undertake an enquiry, to the extent Ashoka finds helpful, in order to verify the compliance between the Organization and the information provided by the Organization in the written application form or orally;
- Participating in all the steps of the mentoring program. In the event it does not, the Organization could be disqualified without any possibility to appeal;
- Ensuring a follow-up regarding the development of the project and participating in a best-practice sharing mindset;
- Authorizing Ashoka, without any financial compensation nor conditions, to (i) communicate the Social Innovation to Tackle Fuel Poverty program's results to a third party, in particular media and/or partners, (ii) communicate their personal details to the media, provided that the Organization was informed before, (iii) use, publish, and broadcast for the needs of the Social Innovation to Tackle Fuel Poverty program, their distinctive sign(s) as well as the characteristic elements of their project on any support and by any means chosen, and (iv) use, publish, and broadcast their activity and their development model and/or their resources mobilization description in a best-practice report that will be produced at the end of the Social Innovation to Tackle Fuel Poverty program; and
- Making sure that all the persons involved in the Organization are properly informed about the terms and conditions in the "Regulation" and in this "Statement", and are accepting them without any reservation nor condition.

Confirms the fact that the information provided in this application is detailed, complete, and truthful.
